

Digitec Interactive Receives “2019 Best Learning System” Award for Knowledge Direct LMS from Talented Learning

February 13, 2019 - [Digitec Interactive](#), an Orlando-headquartered leader in innovative online learning technology received a coveted Talented Learning award. Digitec Interactive was honored to receive the 2019 *Best Learning System* award for Best Continuing Education & Association Learning System.

Knowledge Direct is a learning management system (LMS) that Digitec Interactive originally launched in 2003. The online platform is designed to create and deliver continuing education to trade associations, medical associations and non-profits.

Since 2003, the Knowledge Direct platform has delivered online and mobile learning for well over 2 million learners, worldwide. The system is designed to help non-technical staff create and manage learning to help *make people smarter, faster*.

About Digitec Interactive

Digitec Interactive is an award-winning elearning design and technology company, providing consulting and design services to companies including Disney, Hilton, Genentech/Roche, GoPro and other Fortune 500 companies, as well as associations and non-profit organizations. These clients include the American Pharmacist’s Association (APhA), ISACA, and the National Certification Commission of Acupuncture and Oriental Medicine (NCCAOM), just to name a few.

Knowledge Direct was created for busy education departments who need an easy-to-use system that empowers organizations to quickly create and deliver instructional content to their learners.
